

eStore FAQs

Q. Do you ship internationally?

A. Yes! You can place an international order online or by calling our office at 888-287-7432 or emailing customerservice@downunderhorsemanship.com. Be aware that international orders may incur an additional customs tax that you will be required to pay once it enters your country.

Q. Why does every item have two different prices?

A. Every item has both a non-member price and a No Worries Club member price. No Worries Club members receive discounts (up to 50% off!) on all our products. You do not have to be a member to purchase products from us, but the discounts do add up. To read about the other benefits of being a club member, visit the website www.noworriesclub.com.

Q. Can I get my No Worries Club membership pricing online?

A. Yes! Upon entering the eStore, click LOGIN at the top right corner of the screen. Then enter your login credentials. Your estore login information is the same as your No Worries Club login information. If you need assistance, don't hesitate to call us at 888-287-7432 or email customerservice@downunderhorsemanship.com.

From the homepage of the estore, you'll click on My Account located at the top right of the screen. Then click on Create New Account at the bottom of the screen. Q. What is your return policy?

A. All of our products (with the exception of saddles) have a 14-day return policy starting the day after you receive the goods. If for any reason you are unhappy with your purchase or have simply changed your mind, please contact us within 14 days to arrange a return. The return of an item is the responsibility of the buyer unless an item is found to be faulty, in which case upon inspection of the returned item a refund will be given for the return postage. Please contact us in advance to arrange the return. We advise that buyers use a tracked service to return their items. Items need to be returned as delivered in the original packaging and complete.

SADDLE RETURN POLICY:

It is important that your new saddle fits both you and your horse and that you are satisfied with your purchase. When your saddle arrives, inspect it with care, saddle your horse with it using a clean saddle pad, and make sure you're satisfied with the quality and fit. If you are not satisfied, please call immediately for a return or exchange. Full credit will only be given if there are no signs of wear, dirt or use. ALL labels or tags must accompany all return saddles. You have five days from the delivery date to notify us of the intent to return the saddle, and we must receive it within ten days of notification. Please return saddles unused and with all components for a refund or exchange. We stress that a full refund will only be given if the saddle is clean and shows no evidence of use. All unauthorized returns may result in a restocking fee or denial of a refund. Shipping fees on returns are at the customer's expense and will not be refunded. Downunder Horsemanship is not responsible for any damages that occur during the process of a return. All custom ordered saddles are not returnable unless defective or an error on our part.

Q. What is your return policy on training kits and DVDs?

A. Training kits and DVDs fall under the standard 14-day return policy with the addition that we are unable to accept a kit or DVD for exchange or return if the outer wrapping is not still intact.

Q. I bought my item a month ago, but I haven't used it yet. Can I return it if it's still in brand-new condition?

A. We are unable to accept any items for return if they are outside of the 14-day return policy, even if they are still in brand-new condition. Make sure that you carefully inspect your products immediately upon receipt, even if you don't plan to use them right away.

Q. I purchased an item at one of your events. Can I return it or exchange it for a different size?

A. All sales made at an event are final. Once you leave the event, we are unable to return or exchange any item purchased there.

Q. When I return an item, will I get a full refund?

A. As long as the item is returned to us in brand-new, re-sellable condition, with no evidence of use, you will receive a full refund on your item. We do not refund shipping costs.

Q. Do you sell replacement parts?

A. We do sell replacement parts for most items. You must have originally purchased the item through us in order to purchase a replacement part. Unless the item falls within our 14-day return policy, you will be responsible for the purchase and shipping of the replacement part.

Q. Do you sell gift cards?

A. Not at this time.
